## HD Product Decorating System

The Next  
Generation  
of Digital  
Decorating  
Is Here

# More than Sublimation. Virtuoso is HD Product Decorating.

Create like never before with Sawgrass' **Virtuoso HD Product Decorating System**, the industry's first and only fully integrated system designed specifically for sublimation.

Imagine brighter, higher-definition images, with unsurpassed ease-of-use, support AND lower startup and imaging costs. Virtuoso delivers all this and more, taking the art of digital printing to its next evolution.

## virtuoso® SG400 and SG800

- The only inkjet printers built specifically for digital decorating.
