

Epson SureColor SC-F6000

DATASHEET

The Epson SureColor SC-F6000 is a productive and reliable choice for small format soft signage, banners, customised promotional items and gadgets printing. It offers a low total-cost-of-ownership and is the first dye-sublimation printer in which every component has been designed and manufactured by Epson. This ensures that quality, performance and reliability are optimised for maximum productivity.

The Epson SureColor SC-F6000 is a durable and robust roll-fed CMYK printer that handles all major dye-sub transfer papers for a wide range of polyester applications, from customised promotional items and gadgets to soft signage and banners. Innovative single-operator media loading and other operational features make the SC-F6000 exceptionally easy to use.

This dye sublimation printer provides a high quality output of up to 720 x 1440dpi and prints at 16 – 63m²/hour (typically 30m²/hour in two-pass production mode¹). An integral and easily refillable 1.5 litre ink system allows uninterrupted production with minimal maintenance.

Epson's Micro Piezo printhead provides precise and repeatable performance and longevity. This technology, in conjunction with Epson UltraChrome DS ink, produces outstanding images with vibrant colours, intense blacks, sharp contours and smooth gradations with excellent light/wash fastness and abrasion/perspiration resistance.

Epson's print head and ink combination minimises ink usage and the printer is designed for minimal power consumption.

KEY FEATURES

- **Large prints**
Print up to 44-inches wide
- **Epson-engineered**
Optimal reliability and performance
- **Micro Piezo**
Great quality and high throughput
- **Single user design**
Fast media loading and easy set-up
- **Rapid output**
Up to 63m²/hour

PRODUCT SPECIFICATIONS

TECHNOLOGY

Printing Method	PrecisionCore™ TFP print head
Printing Resolution	720 x 1,440 dpi
Ink Technology	UltraChrome® DS

PRINT

Colours	Black, Cyan, Yellow, Magenta
Maximum printing speed	63 m ² /h

For detailed information on printing speeds please visit <http://www.epson.eu/testing>.

CONNECTIVITY

Interfaces	USB, Ethernet
------------	---------------

PAPER / MEDIA HANDLING

Paper Formats	44 " (111.8 cm)
Compatible Paper Weight	75g/m ² or heavier
Print Margins Roll Media	Mode 1: 3 mm (top), 3 mm (right), 3 mm (bottom), 3 mm (left)
Compatible Paper Thickness	0.08 mm - 0.5 mm
Duplex	No
Media Handling	Roll Paper

GENERAL

Noise Level	Operation: 55.1 dB (A)
Supply Voltage	AC 100 V - 240 V, 50 Hz - 60 Hz
Compatible Operating Systems	Mac OS 10.4+, Windows 7, Windows 7 x64, Windows Vista, Windows Vista x64, Windows XP, Windows XP x64
Product dimensions	1,608 x 1,128 x 917 mm (Width x Depth x Height)
Energy Use	65 W, 20 W (economy), 3 W (standby), 0.4 W (Power off)
Product weight	90 kg
Sound Power	Operation: 7.3 B (A)

OTHER

Warranty	12 months On site service
----------	---------------------------

LOGISTICS INFORMATION

SKU	C11CD03001A0
Barcode	8715946528465
Dimensions Single Carton	1978 x 816 x 1051 mm
Carton Weight	135 Kg
Multiple Order Quantity	1 Units
Country of Origin	China
Pallet Size Euro	10 Units (2 x 5)
